[Part A: Overview and Highlights:](#)

December 2024 was a month of reflection on our achievements throughout the year, as well as preparation for the upcoming academic year in 2025.

To close out the year in style, the Foundation organized two significant activities. The first was the Mavoko Christmas Bonanza, where we donated Feminine Hygiene Products (FHP) to support the community. The second was in partnership with Liberty Care Centre Children’s Home, where we donated a year’s supply of FHPs to the girls residing at the home.

This report provides key updates from the Foundation’s activities in December.
