

Superior Homes Foundation Report – August 2025

Part A: Overview and Highlights

Due to the temporary closure of schools for the August holidays, the Foundation carried out limited activities during the month. However, we successfully onboarded two new schools and restocked sanitary towels in 10 of our partner schools. The period also provided us with an opportunity to plan and prepare for a successful and impactful third term, which commenced on 25th August 2025.

This report highlights the Foundation's key updates to note in August.
